

Requesting a Pain Team Review

Please request a pain referral for **all** patients who are started on PCA, Epidural or Pain Busters, following the instructions below on EPR:

Click "**Request and Care Plan**" and then "+" ADD

Then include "**Referral to Pain Team**" in the box and this will take you to the referral form.

In the referral form include:

Referral service - **Anaesthetics**

Referral Priority – **Urgent**

Reason for Referral – **PCA, Epidural, etc**

Clinician requested – **please leave this blank**

Then submit the form
