

Contacting the Inpatient Pain Service

Please note: there is a separate intranet page for both Acute and Chronic Pain Management This can be accessed via the old intranet homepage > Departments > Pain Management There you will find a wide range of guidelines for both acute and chronic pain.

Contacting the Pain Team

1) Send a referral via EPR

Click “**Request and Care Plan**” and then “+” ADD
Then type “**Referral to Pain Team**” in the box and this will take you to the referral form.

In the referral form include:

Referral service - **Anaesthetics**

Referral Priority – **Urgent**

Reason for Referral – **PCA, Epidural, etc**

Clinician requested – **can be left blank**

Then submit the form

Please request a pain referral for **all** patients who are started on PCA, Epidural or Pain Busters

2) For urgent same day input during office hours (0800 – 1200 Monday – Friday)

Bleep Acute Pain Sister (pager number 417) (available 0800 – 1200 Monday – Friday) or contact the Anaesthetic Office EXT 4065

Ring Acute Pain Consultant via switchboard (0800 – 1230 Monday – Friday)

Urgent input outside these hours – bleep on call anaesthetist (specialty trainee) via switchboard

Urgent input outside office hours – bleep on call anaesthetist (CT/ST) via switchboard
