Under Regulation 17(3) of the Health and Social Care Act 2008 (Regulated Activities) Regulations 2014, you must send us a written report of the action you are going to take to meet the Health and Social Care Act 2008, associated regulations and any other legislation we have identified you are in breach of. We have enclosed a template that you may wish to use.

If you have already sent us an action plan after this inspection about any of these actions, you do not need to include them in your action plan.

You must return the action plan to us by close of play **11 May 2020**

You should inform us in writing when you have completed the actions in your plan. We will check to make sure that you have completed your actions and will report on our judgements.

### **Challenging the rating(s)**

A rating review involves checking whether or not CQC followed its process for making ratings decisions, as explained in the guidance published on our website. If you think that we have not followed the process you can request a review. You cannot ask for a review of ratings on the basis that you disagree with our judgements.

You must submit your request for review, using the online form, within 15 working days of the publication of your report(s). You must say in what way we have not followed the process, and which ratings you think have been affected.

Please use the following link to access the form:

<http://www.cqc.org.uk/content/requesting-review-one-or-more-cqc-ratings>

Please note that a rating review does not involve a reconsideration of the evidence and ratings awarded, unless we find the process has not been followed.

You can only request a review of ratings once after each inspection. Please note that requests for reviews of ratings can lead to ratings going down as well as up, or they can remain the same.

### **Post-Inspection Survey**

Around 4-12 weeks after you have received your final inspection report CQC will email an invitation to take part in our Post-Inspection Survey. The email will usually be sent to the registered manager or registered person (e.g. nominated individual, partner, responsible individual). This is your opportunity to share your feedback on the inspection experience so we strongly encourage you to respond. We anonymise and amalgamate these survey findings and use them to help us learn and improve what we do. Some of the findings are also used for the CQC's public performance reporting.
