

Patients, People, Place and Partners

Summary of our strategy 2022-27

Bradford Teaching Hospitals

NHS Foundation Trust

Bradford District and Craven HCP

Act as one to keep people Happy, Healthy at Home, meeting people where they are, working with them to access the opportunities to enable them to live longer in good health

BTHFT

Vision: To be an outstanding provider of healthcare, research and education and a great place to work

Our Patients

Using digital technology, data and insight to transform how we deliver care

Delivering outstanding nursing and midwifery care

Providing outstanding patient experience

Delivering high quality services

Restarting and recovering planned care after COVID-19

Delivering a virtual hospital as part of a clinically-led transformation

Our People

Engendering a feeling of belonging in the NHS

Looking after our people

New ways of working and delivering care

Growing for the future through planning, education, training and acting as an anchor organisation for Bradford

Our Place

Strategic Estate: Fit for purpose facilities for Bradford

Acting as One with our partners across Bradford District and Craven

Research for all: Building on our international reputation as a City of Research and using data to become an anchor institution for population health

Tackling health inequalities: Population Health Intelligence driving Population Health Management

Our Partners

Working with other providers of acute hospital care to best meet the needs of our shared patient populations

Meeting our commitment to sustainability and delivery of the NHS Net Zero Carbon target.

Continue to develop the Trust as a hub for specialist services in the west of West Yorkshire

Working with partners across West Yorkshire to improve services and address health inequalities
