Dear Sara and Carolyn,

HSIB response to escalation of emerging concerns

Thank you for providing your responses and action plan in a timely manner. HSIB escalation panel have considered each of the summaries related to the concerns raised and reviewed the actions and planned improvements by the Trust.

HSIB are assured by the information you have shared relating to the actions you have put in place to date. We would like to retain ongoing communication for where you have proposed additional work in the future. This can be undertaken through the quarterly review meetings with the Trust.

Yours sincerely

Cara Taylor
