

Quality and Patient Safety Academy

Terms of Reference

<p>Purpose</p>	<p>To seek assurance, learn and drive improvement in relation to all aspects of quality within the Trust in line with the NHS Patient Safety Strategy and national quality standards.</p>
<p>Responsible to</p>	<p>Board of Directors</p>
<p>Delegated authority</p>	<p>The Academy is authorised to investigate any activity within its terms of reference. It is further authorised to seek any information it requires from any employee of the Trust and invite them to attend the Academy to contribute to a discussion or to enable the ‘lived experience’ to be captured as part of the debate.</p> <p>The Academy may make a request to the executive management team for legal or independent professional advice. The Academy may request the attendance of external advisers with relevant experience and expertise if it considers this necessary to either contribute to an agenda item or to run development sessions for its members.</p> <p>The Academy will receive mandated highlight reports from the clinical working groups according to the reporting structure and annual work plan.</p>
<p>Duties</p>	<p>Assurance:</p> <ul style="list-style-type: none"> • Will receive assurance from clinical working groups that safety, clinical outcomes, patient safety and patient experience across the Trust’s services is compliant with national standards and the requirements of NHS regulators and commissioners of services. • The Quality and Patient Safety Academy will review and provide feedback on quality related submissions required by NHSE/I or other external organisations, prior to approval through the Trust Board as required. • Make recommendations to the Audit Committee concerning the annual programme of Internal Audit, inviting the trust’s appointed internal auditors as an external partner twice yearly to give an overview of progress and effective scrutiny of the risks and systems of internal control related to matters of quality and safety as well as the associated quality improvement plans.

	<ul style="list-style-type: none"> • Consideration of relevant internal audit reports. • Oversee the process for impact assessment (quality and equality) and receive assessments of any Trust developments and cost improvement schemes that are evaluated as high risk. • Have oversight of the Trust’s objectives relating to quality priorities for inclusion in the Trust’s Annual Quality Account, contributing to and overseeing the development of the Trust’s annual Quality Report as well as Clinical Business Units’ Annual Quality Improvement Plans. • The Quality and Patient Safety Academy will have oversight of progress towards the Trust’s digital and data related objectives through regular reports from the Digital and Data Transformation Committee, and review and provide feedback on Information Governance related submissions required by legislation prior to approval through the Trust Board as required. • Oversight of the Estates & Facilities service reports (also relevant to the Learning and Improvement aspects of the Academy). • Review, challenge and assess the identification and management of risks within the Academy’s remit on the High Level Risk Register and the BAF, to provide assurance to the Board that all relevant risks are appropriately recognised and recorded, and that all appropriate actions are being taken within appropriate timescales where risks are not appropriately controlled. • The chair of the Quality and Patient Safety Academy will invite representation from our commissioning bodies on a quarterly basis as partners to augment discussions about quality matters, learning and further opportunities for system learning. • In reviewing the assurances received, the Academy will take into consideration the quality of data presented and any associated issues.
	<p>Learning:</p> <ul style="list-style-type: none"> • The Quality and Patient Safety Academy will work and collaborate with partner organisations to identify and share

	<p>system learning.</p> <ul style="list-style-type: none"> • The Quality and Patient Safety Academy will oversee, endorse and facilitate multi-methods of identifying, cascading and embedding learning across services. • The Quality and Patient Safety Academy will actively seek out learning opportunities from other healthcare providers and industries and apply research and evidence based learning which will support a culture of continuous learning and improvement. • Receive highlight reports from the Clinical Outcomes Group about compliance with internal and external quality standards including benchmarking data, learning from deaths and mortality, receive the Trusts Annual Audit Plan and have oversight of the associated improvement plans. • Receive highlight reports from the Patient Safety Group, identifying learning from patient safety incidents and have oversight of the quality improvement programmes associated with a positive patient safety culture.
	<p>Improvement:</p> <ul style="list-style-type: none"> • The Quality and Patient Safety Academy will support and facilitate a culture of safety and improvement in line with the NHS Patient Safety Strategy by adopting the principles of Insight, Involvement and Improvement. • The Quality and Patient Safety Academy will endorse and oversee the development of a basket of metrics to measure a culture of safety, quality and improvement. • The Quality and Patient Safety Academy will oversee and agree identified quality metrics that enable the development and maintenance of Quality Profiles at Clinical Business Unit level. • The Quality and Patient Safety Academy will oversee the development of a programme of work supporting the trust to be an outstanding provider of healthcare. • The Quality and Patient Safety Academy will oversee the Magnet4Europe work programmes to ensure successful

	<p>accreditation for care excellence.</p> <ul style="list-style-type: none"> The Quality and Patient Safety Academy will agree, review and monitor the delivery of the Trust's Quality Improvement Strategy, Annual Quality Improvement Plan and any supporting implementation plans.
