

Meeting Title	Board of Directors		
Date	19 January 2023	Agenda item	Bo.1.23.9

## SHIPLEY HOSPITAL UPDATE

<b>Presented by</b>	Helen Farmer, Access to Care Director, Bradford District & Craven HCP		
<b>Authors</b>	Shak Rafiq, Associate Director of Communications and Involvement and Helen Farmer, Access to Care Director, Bradford District and Craven Health and Care Partnership		
<b>Lead Director</b>	John Holden, Director of Strategy and Integration		
<b>Purpose of the paper</b>	This paper provides a summary of the position with regards to the next steps on Shipley Hospital.		
<b>Key control</b>	None		
<b>Action required</b>	To note		
<b>Previously discussed at/ informed by</b>	Health Overview and Scrutiny Committee, December 2022 Bradford District and Craven Health and Care Partnership Board, December 2022		
<b>Previously approved at:</b>	<b>Academy/Group</b>	<b>Date</b>	
	N/A		

### Key Options, Issues and Risks

This paper outlines to the Board of Directors the current position in relation to Shipley Hospital, part of the BTHFT community estate. Shipley is based in North Bradford and is a large, converted house which over time was a maternity home and a community hospital. Today, only physiotherapy services occupy the ground floor following the relocation of radiology services, and an outpatient clinic, back to the main hospital site during the COVID-19 pandemic.

This paper outlines the proposed intentions in relation to a public consultation, and is based on an independent review of previous involvement (engagement) activity in relation to Shipley Hospital. It has been commissioned by the Bradford District and Craven Health and Care Partnership and delivered by an independent agency, Stand.

This independent review and its recommendations will support the restarting of involvement activities in relation to Shipley Hospital. The previous involvement activities had to be paused as our health and care system responded to COVID-19. The report reflects and recognises the period of time that has passed as a direct consequence of the COVID-19 global pandemic and the need to involve people before a final decision is made on any proposals.

The independent review recommends that we will need to carry out a formal consultation on our proposal when considering legal and policy considerations.

The consultation is asking people which site the physiotherapy service should be delivered from in the future as Shipley Hospital is no longer a viable option due to the age and condition of the building, meaning it is not possible to improve the standard to that of a modern, purpose-built, health facility. A feasibility study and options appraisal of alternative sites within our district will form part of the consultation that is undertaken.

Please refer to Appendix One which contains the full briefing provided to Health Overview and Scrutiny Committee in December 2022 and includes the independent review undertaken by Stand.

### Recommendation

The Board of Directors is asked to note the content of this report, in particular:

- the proposal to undertake a 6 week consultation;
- the timescales for the full review to be complete within 6-9 months; and
- the proposed relocation of physiotherapy services.

Meeting Title	Board of Directors		
Date	19 January 2023	Agenda item	Bo.1.23.9

Risk assessment						
Strategic Objective	Appetite (G)					
	Avoid	Minimal	Cautious	Open	Seek	Mature
To provide outstanding care for patients			g			
To deliver our financial plan and key performance targets			g			
To be in the top 20% of NHS employers					g	
To be a continually learning organisation				g		
To collaborate effectively with local and regional partners					g	
The level of risk against each objective should be indicated. Where more than one option is available the level of risk of each option against each element should be indicated by numbering each option and showing numbers in the boxes.	Low		Moderate	High	Significant	
	Risk (*)					
Explanation of variance from Board of Directors Agreed General risk appetite (G)						

Benchmarking implications (see section 4 for details)	Yes	No	N/A
