

healthwatch

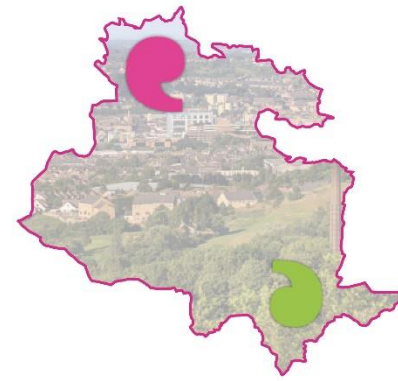

Bradford and District

Your **local** health
and care **champion**

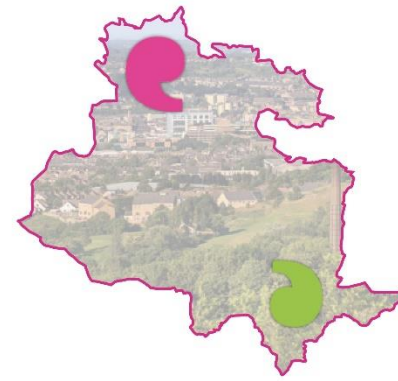

We talk to anyone who uses **GPs** and **hospitals, dentists, pharmacies, care homes** or other **support services** in the Bradford district about their experiences.

We are **independent** and have the power to make sure NHS leaders and other decision-makers listen to local **feedback** and **improve standards of care**.

We also help our communities to find reliable and trustworthy **information** and **advice**.

In 2021-22, **450** people shared their experiences of health and social care with us, helping to raise awareness of issues and improve standards of care.

In the same period, **188** people came to us for clear advice and information about topics such as mental health, COVID-19 and NHS dentists.

We employ **4** staff who help us carry out this work.

In 2021-22, our website featuring news, information and advice received more than **14,000** page views. Our tweets were seen **127,458** times and we reached **21,797** people on Facebook.

Last year, across England, the Healthwatch network helped nearly **1 million people** to have their say and get the support they needed. There are **152** local Healthwatch.

Bradford and District

We also have a legal power to **visit** health and social care services and see them in action. This allows us to identify what is working well with services and where they could be improved.

This is called **Enter and View**.

We analyse all the feedback we receive about local services and ensure our communities are **heard** by those who commission and provide health and care services.

We produce **reports**, make **recommendations** and work directly with those who have the **power** to make changes.
