People	Pe4 - Growing for the future through planning, education, training and acting as an anchor organisation for Bradford	Pe4c - Continue to support our people to develop professionally through improved range of training and education programmes
People	Pe4 - Growing for the future through planning, education, training and acting as an anchor organisation for Bradford	Pe4d - Develop more augmented reality and virtual training
People	Pe4 - Growing for the future through planning, education, training and acting as an anchor organisation for Bradford	Pe4e - Develop outreach programmes with local schools and colleges to encourage local students to consider NHS careers or apprenticeships at BTH.

Appendix 2 - Strategic Priorities discussed at Academies 2023

Place	PI1 - We will Act as One with our partners across Bradford District and Craven	PI1a - Build on our SPA with the rest of our local Health and Care Partnership to ensure the development and delivery of a system-wide strategy, system-wide budget setting and system-wide financial balance.
Place	PI1 - We will Act as One with our partners across Bradford District and Craven	PI1b - Deliver Act as One programmes on Diabetes, Better Births, Respiratory Health, Ageing Well, Access to Healthcare, Children and Young People's Mental Health and Cardiovascular Health.
Place	PI2 - Tackling Health Inequalities	PI2a - Develop (through the Population Health Management Enabling Project, Connected Bradford and Act as One) a Bradford District and Craven approach to Population Health Management (PHM).
Place	PI2 - Tackling Health Inequalities	PI2b - Design and develop new models of preventative and interventional care as a result of our findings in relation to PHM.
Place	PI3 - Research for all: Building on our international reputation as a City of Research and using data to become and anchor institution for population health	PI3a - Support the Connected Bradford programme and use linked data sets to develop a comprehensive view of the health needs of the people of Bradford
Place	PI3 - Research for all: Building on our international reputation as a City of Research and using data to become and anchor institution for population health	PI3b - Aim to provide the entire population of Bradford with the opportunity to take part in research with the ultimate objective of improving the health and wellbeing of the local population (<i>Bradford as a City of Research</i>)
Place	PI3 - Research for all: Building on our international reputation as a City of Research and using data to become and anchor institution for population health	PI3c - Significantly increase the number of Trust inpatients that have the opportunity to take part in research (<i>Research-led care</i>)
Place	PI4 - Strategic Estate: Fit for purpose health and care facilities for Bradford	PI4a - Support the development of an Estates strategy for Bradford District and Craven
Place	PI4 - Strategic Estate: Fit for purpose health and care facilities for Bradford	PI4b - Explore the potential to build a new teaching hospital in Bradford to replace BRI and St Luke's whilst optimising our current estate.
Partners	Par1 - Working with colleagues in our ICP and partners across West Yorkshire to address health inequalities	Par1a - Addressing many of the WYHCP "10 big ambitions" locally at a Place level through a number of local work programmes e.g. Act as One programmes, Population Health Management and being an anchor organisation to help alleviate some of the societal issues that lead to health inequalities
Partners	Par2 - Working with other providers of acute hospital care to best meet the needs of our shared patient populations	Par2a -Supporting (mainly) WYAAT partners in the development and delivery of a clinical services strategy for West Yorkshire
Partners	Par2 - Working with other providers of acute hospital care to best meet the needs of our shared patient populations	Par2b - Continue to work collaboratively with Airedale NHS FT particularly in relation to ENT, Ophthalmology, Urology, Plastic Surgery and Renal services
Partners	Par3 - Continue to develop the Trust as a hub for specialist services in the west of West Yorkshire	Par3a - Identify services and develop solutions for the delivery of certain tertiary services in hubs at a range of sites across West Yorkshire
Partners	Par4 - We will meet our commitment to sustainability and the delivery of the NHS Net Zero Carbon Target	Par4a - Delivery of our Green Plan key elements especially in relation to Revenue and Capital Procurement, Asset Management and Travel
