Eye Spy
Your Orthoptic Adventure

Check in at the front desk

Wait in the waiting room

Go into orthoptic clinic room

Orthoptist will say hello

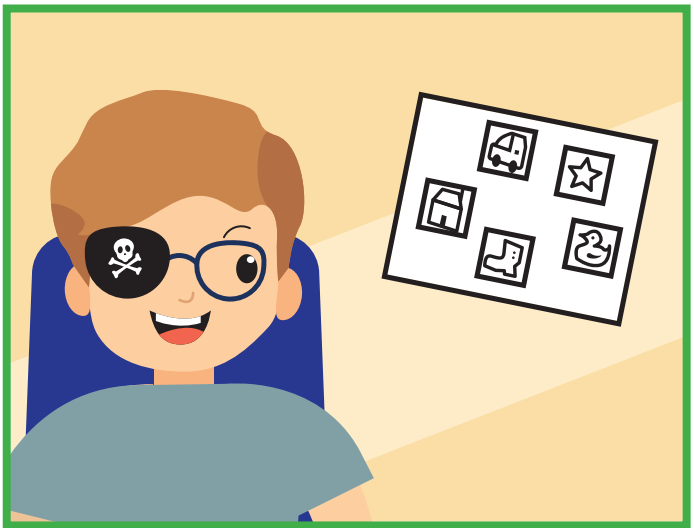

Sit down on chair

Orthoptist will ask questions about my eyes

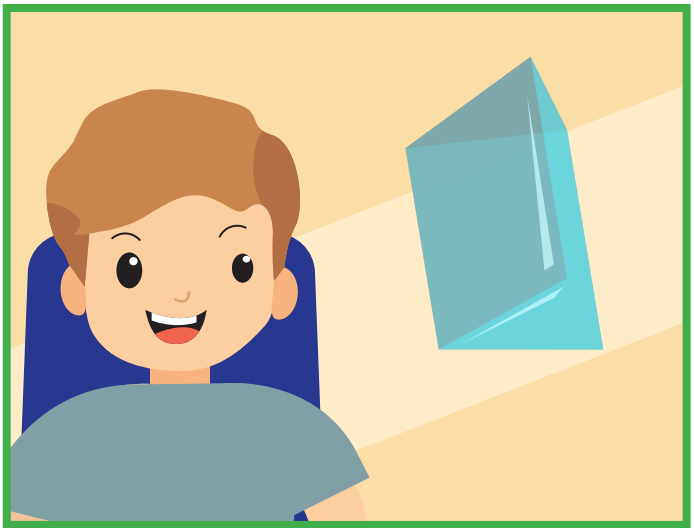

Wear pirate glasses

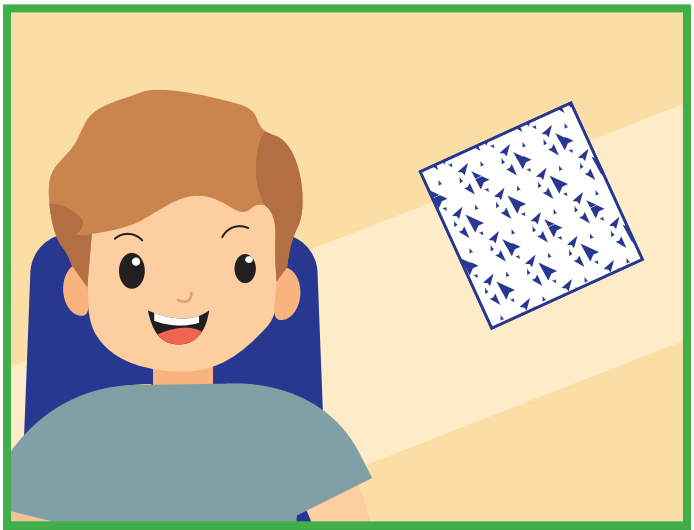

Point to and match different sized targets

Look at targets and lights

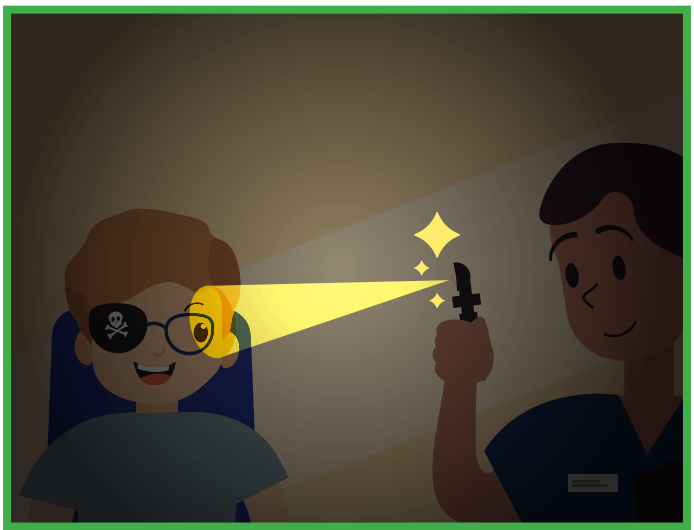

Look through prism

Look at 3D plate

Room will go dark

Look at eyes with light/torch

Take a ‘photo’ of eyes (auto refraction)

Home time
